<sup>2</sup> See discussion *infra* at ¶ 21 regarding Grant Thornton's use of specialized professionals to address discrete issues for Plan Services rendered to the Debtors in order to minimize fees incurred. Moreover, when combined with hours spent over the entire project, Grant Thornton expects that the number of professionals billing less than 15 hours will be significantly less, which, as noted above, drops the total from 8 to 6 here. Also, 4 out of the 6 professionals billing less than 15 hours during the Fee Period have been engaged solely in connection with Grant Thornton's recent retention to provide business advisory services that began in October 2022. Grant Thornton anticipates that such professionals may bill more than 15 hours by the end of that project.

### **JURISDICTION**

1. The United States Bankruptcy Court for the Southern District of New York (the “**Court**”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2).

2. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

### **BACKGROUND**

#### **A. The Chapter 11 Cases**

3. On September 15, 2019 (the “**Petition Date**”), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their business and managing their properties as debtor-in-possession pursuant to sections 1107(a) and

1108 of the Bankruptcy Code. On September 18, 2019, the Court entered an order [ECF No. 59] authorizing the joint administration and procedural consolidation of the Debtors' chapter 11 cases pursuant to Bankruptcy Rule 1015(b). No entity has requested the appointment of a trustee or examiner in these chapter 11 cases. On September 27, 2019, the United States Trustee for the Southern District of New York (the "**U.S. Trustee**") appointed an official committee of unsecured creditors (the "**UCC**") pursuant to section 1102 of the Bankruptcy Code [ECF No. 131].

4. A description of the Debtors' business, the reasons for commencing the chapter 11 cases, and the relief sought from the Court to facilitate effective administration of these chapter 11 cases are set forth in the Debtors' Informational Brief [ECF No.17].

5. On November 21, 2019, the Court entered the Interim Compensation Order, which sets forth the procedures for interim compensation and reimbursement of expenses for all professionals in these cases.

**B. The Debtors' Retention of Grant Thornton**

**1. *OCB Tax Services Provided by Grant Thornton in the Ordinary Course of the Debtors' Business***

6. Prior to the Petition Date, the Debtors engaged Grant Thornton to provide tax-related services pursuant to the terms and conditions of that certain master agreement, dated June 1, 2018 (the "**MSA**"), and other related statements of work executed in connection therewith.

7. As previously disclosed in Grant Thornton's retention applications [ECF Nos. 2636, 3761 and 5113] and previous monthly fee statements [ECF Nos. 3738, 4019, 4345, 4416, 4623, 4743, 4773, 4932, 5024, 5068, 5114, 5234, 5287, 5338 and 5391], the Debtors retained Grant Thornton after the Petition Date to continue to provide certain tax-related services to assist the Debtors in the ordinary course of their business operations (the "**OCB Tax Services**"), which work consisted of the following services:

- a. Sales and Use Tax Compliance Services: On August 11, 2020, the Debtors and Grant Thornton entered into that certain *Statement of Work for Sales and Use Tax Return Preparation Services*, pursuant to which Grant Thornton was retained to assist the Debtors with the generation of sales, use and other transactional tax returns by providing tax return compliance services. That August 11, 2020 statement of work was subsequently replaced and superseded by that certain *Statement of Work for Sales and Use Tax Return Preparation Services*, dated March 2, 2021.
- b. 2020 and 2021 Tax Preparation Services: On December 7, 2020, the Debtors and Grant Thornton entered into that certain *Statement of Work for Tax Compliance Services*, pursuant to which Grant Thornton was retained to prepare the Debtors' federal and state tax returns, including extension calculations and estimated tax payments, for the 2020 taxable year. On January 20, 2022, the Debtors and Grant Thornton entered into a new *Statement of Work for Tax Compliance Services*, pursuant to which Grant Thornton was retained to prepare the Debtors' federal and state tax returns, including extension calculations and estimated tax payments, for the 2021 taxable year. On February 17, 2022, out of an abundance of caution and for purposes of full disclosure, Grant Thornton filed with the Court the "*Second Supplemental Declaration of Raymond Werth Disclosing Debtors' Retention of Grant Thornton LLP in the Ordinary Course of Business to Provide Continued Tax Compliance Services for the 2021 Tax Year*" [ECF No. 4365].

- c. Global Mobility Services: On June 18, 2020, the Debtors and Grant Thornton entered into that certain *Statement of Work for Global Mobility Services*, pursuant to which Grant Thornton was retained to provide tax compliance and consulting services for disclosures, review and execution related to United States and United Kingdom tax returns for the years 2015 through 2019. Such services included, among other things: (i) discovery of over-reporting of income; (ii) consultation on the approach to amendments; (iii) preparation of adjusted compensation figures for necessary years; (iv) preparation of tax equalization settlements for necessary years; (v) discussions on processes and filings with the Debtors and David Lundie; and (vi) assistance with responses to IRS and HMRC notices. On April 15, 2021, the Debtors and Grant Thornton entered into that certain *Statement of Work for GMS Compliance Services*, pursuant to which Grant Thornton's engagement to provide Global Mobility Services was extended to the 2020 and 2021 tax years.

8. Because the OCB Tax Services were being provided in the ordinary course of the Debtors' business and were unrelated to the administration of the bankruptcy cases, Grant Thornton understood that it was not necessary for it to be retained in these bankruptcy cases and that payment on account of such OCB Tax Services would be paid consistent with past practices and in the ordinary course of the Debtors' ongoing business operations. Thus, prior to approval of Grant Thornton's retention with respect to the Plan Services (as further described below), the OCB Tax Services, including the billing and payment process, were not subject to the Interim Compensation Order or other fee procedures applicable to professionals retained in these bankruptcy cases.

**2. Plan Services For Which Grant Thornton Was Retained**

9. In January 2021, the Debtors requested that Grant Thornton provide additional tax structuring services that directly related to the development of the Debtors' chapter 11 plan of reorganization in these bankruptcy cases (the "**Plan**").<sup>5</sup> As a result of this requested expansion in the scope of work being provided, on or about January 20, 2021, Grant Thornton and the Debtors entered into that certain *Statement of Work for Tax Structuring Services* (the "**Tax Structuring Plan-Related SOW**").

10. After Grant Thornton conducted an extensive conflict check to support its retention application, on April 13, 2021, the Debtors filed the *Application of Debtors for Authority to Retain and Employ Grant Thornton LLP as Tax Structuring Consultants to the Debtors Nunc Pro Tunc to January 20, 2021* [ECF No. 2636], and the Court entered the Initial Retention Order on April 28, 2021.

11. In August 2021, the Debtors requested that Grant Thornton further expand the scope of its retention and provide additional services related to their Plan confirmation efforts. Specifically, the Debtors and Grant Thornton entered into the *Statement of Work for Advisory Services*, dated August 25, 2021 (the "**Valuation Services Plan-Related SOW**"), pursuant to which Grant Thornton was retained, subject to Court approval, to provide valuation advisory services to the Debtors relating to the Plan and the formation of the Newco as provided therein. The Debtors and Grant Thornton also entered into the *Statement of Work for Employment Tax*

---

<sup>5</sup> These tax structuring services included: (a) assisting the Debtors' management in analyzing the income tax consequences to the Debtors with respect to transactions between the Debtors and the new entity ("**Newco**") anticipated to be created in the bankruptcy reorganization; (b) consulting with Debtors and its legal counsel regarding the federal and state income tax implications of transactions required by the Court (as proposed by the Debtors' legal counsel) effectuating the bankruptcy reorganization; (c) assisting the Debtors' management in determining the federal income tax basis in the assets of the Newco and its affiliates immediately following the bankruptcy reorganization; and (d) assisting in modeling future U.S. federal and state income tax cash tax liabilities for Newco following emergence from bankruptcy.

*Services & State Corporate Income/Franchise Tax Nexus Analysis Services*, dated August 26, 2021 (the “**Employee Tax Analysis Plan-Related SOW**”), pursuant to which Grant Thornton was retained, subject to Court approval, to provide tax analysis for certain employment and other tax issues relating to the Plan and formation of the Newco as provided therein.

12. On September 10, 2021, the Debtors filed the *Application of Debtors for Authority to Supplement Retention and Employment of Grant Thornton LLP for Tax Analysis and Valuation Services Effective September 1, 2021* [ECF No. 3761], and the Court entered the Supplemental Retention Order on September 28, 2021.

13. In or around September 2022, the Debtors requested that Grant Thornton further expand the scope of its retention by providing certain business advisory services to the Debtors. On September 27, 2022, the Debtors and Grant Thornton entered into the following agreements (collectively, the “**BAS Agreements**”): (i) the engagement letter, including *Attachment A – STANDARD GRANT THORNTON LLP ENGAGEMENT TERMS* attached thereto; and (ii) the *Statement of Work (SOW) for Advisory Services*. On October 4, 2022, the Debtors filed the *Application of Debtors for Authority to Supplement Retention and Employment of Grant Thornton LLP for Business Advisory Services Effective September 27, 2022* [Docket No. 5113], and the Court entered the Second Supplemental Retention Order on October 20, 2022 [Docket No. 5188].

14. Pursuant to the Retention Orders, compensation and reimbursement for the services provided under the Tax Structuring Plan-Related SOW, the Valuation Services Plan-Related SOW, the Employee Tax Analysis Plan-Related SOW and the BAS Agreements (collectively, the “**Plan Services**”) are subject to, and must be in compliance with, the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any other applicable procedures and orders of the Court for allowance of monthly, interim and final fee applications.

### **COMPLIANCE WITH FEE GUIDELINES**

15. All Plan Services during the Fee Period for which compensation is requested by Grant Thornton were performed for or on behalf of the Debtors. Additionally, Grant Thornton has not received any payment or promises of payment from any source other than the Debtors for services rendered or to be rendered in any capacity whatsoever in connection with matters covered by this Fee Application.

16. These professional services were rendered by Grant Thornton staff.

17. To the extent that billable time or disbursement charges for services rendered or expenses incurred relate to the Fee Period, but were not processed prior to the preparation of this Fee Application, Grant Thornton reserves the right to request compensation for such services and reimbursement of such expenses in a future fee application.

18. A certification confirming Grant Thornton's compliance with the Fee Guidelines is annexed hereto as **Exhibit A**.

### **SUMMARY OF REQUESTED COMPENSATION**

19. During the Fee Period, Grant Thornton's professionals expended a total of **1166.7 hours** in connection with providing necessary Plan Services. Grant Thornton has been able to efficiently provide services by utilizing the expertise of professionals to effectively advise the Debtors regarding discrete issues and ensuring that the level of seniority is commensurate with the assignment.

20. Grant Thornton has been retained to provide Plan Services to the Debtors that consist of four (4) separate projects for which Grant Thornton charges, all or in part, based on hourly rates: (i) tax structuring services, (ii) employee tax services, (iii) valuation services and (iv)

business advisory services.<sup>6</sup> Each of these discrete projects requires distinct skills and experience, and thus, requires separate teams.

21. Moreover, Grant Thornton is able to minimize the amount in fees it incurs by using highly specialized professionals knowledgeable in distinct areas of complex tax issues to address specific issues as they arise. Grant Thornton anticipates that certain individuals providing services below 15 hours during the Fee Period will incur more than 15 hours over the total project.

22. Grant Thornton, in connection with Plan Services rendered on behalf of the Debtors, respectfully requests allowance of reasonable compensation of such services in the total amount of \$677,441.00 and reimbursement of actual and necessary expenses incurred in the amount of \$32,250.00, for an aggregate total of \$709,691.00 for the Fee Period.

23. Because the Debtors have, or are expected to have, paid Grant Thornton \$574,202.80 of the requested allowed amount pursuant to the Interim Compensation Order, Grant Thornton also seeks an order authorizing the Debtors to pay Grant Thornton the remaining 20% holdback from the monthly fee statements filed with the Court, which 20% holdback Grant Thornton estimates will be \$135,488.20.

24. Annexed hereto as **Exhibit C** is a list of Grant Thornton professionals and paraprofessionals, their position with the firm, the hourly rate charged for their services, the number of hours worked on this matter, and other pertinent information. **Exhibit D** annexed hereto is a list of the various project billing categories and the total fees and total hours expended in each project billing category.

---

<sup>6</sup> No tax structuring services or valuation services were performed by Grant Thornton during this Fee Period.

25. **Exhibit E** attached hereto are the detailed records of the Plan Services provided by Grant Thornton for this Fee Period, organized by categories. These detailed time records also were previously appended to Grant Thornton's 13<sup>th</sup> MFS, 14<sup>th</sup> MFS, 15<sup>th</sup> MFS and 16<sup>th</sup> MFS.

26. Grant Thornton is engaged in ongoing discussions with the Debtors regarding budgeting and staffing issues. Annexed hereto as **Exhibit F** is Grant Thornton's staffing plan in connection with services rendered to the Debtors.

### **SUMMARY OF SERVICES RENDERED**

27. During the Fee Period, Grant Thornton provided extensive and critical professional advice and other services, involving complex, novel issues involved in resolving the disparate interests of the diverse stakeholder groups in these chapter 11 cases. The following is a summary of the significant services provided to the Debtors in each of the project billing categories. The following summary of services rendered during the Fee Period is not intended to be a detailed description of the work performed. Rather, it merely highlights certain billing project categories in which services were rendered by Grant Thornton, as well as identifies some of the issues Grant Thornton was required to address. Detailed descriptions of the day-to-day services provided by Grant Thornton and the time expended performing such services in each project billing category are attached hereto as **Exhibit E**.

<b>Categories for Business Advisory Services:</b>	<b>Total Hours</b>	<b>Total Fees</b>	<b>Description</b>

<b>TOTAL</b>	<b>1166.7</b>	<b>\$677,441.00</b>	

28. Grant Thornton respectfully submits that the Plan Services that it has rendered on behalf of the Debtors during the Fee Period were necessary and appropriate and have directly contributed to the effective administration of these cases, including the successful confirmation and anticipated implementation of the Plan.

#### **ACTUAL AND NECESSARY EXPENSES**

29. As set forth in Exhibit G hereto, Grant Thornton has incurred or disbursed \$32,250.00 in expenses in providing professional services to the Debtors during the Fee Period. These expense amounts are intended to cover Grant Thornton's direct expenses which are not incorporated into the hourly billing rates. Only clients for whom the services are actually used are separately charged for such services.

30. Grant Thornton has made every effort to minimize its expenses in the chapter 11 cases. The actual expenses incurred in providing professional services to the Debtors were necessary, reasonable, and justified under the circumstances to serve the needs of the Debtors.

31. In connection with Grant Thornton's retention in these bankruptcy cases, Grant Thornton utilized its own outside bankruptcy counsel to assist Grant Thornton with its retention and fee approval procedures. Pursuant to the Initial Retention Order:

“Grant Thornton's reimbursable expenses may include the reasonable and necessary actual, documented out-of-pocket costs, fees, disbursements, and other charges of Grant Thornton's external legal counsel (without the need for such legal counsel to be retained as a professional in the chapter 11 cases); provided, that, if Grant Thornton seeks reimbursement from the Debtors for attorneys' fees and expenses pursuant to the

Engagement Agreement, the invoices and supporting time records for the attorneys' fees and expenses shall be included in Grant Thornton's own applications, both interim and final, and these invoices and time records shall be subject to the approval of the *[sic]* Court pursuant to sections 330 and 331 of the Bankruptcy Code, but without regard to whether such attorneys have been retained under section 327 of the Bankruptcy Code, and without regard to whether such attorneys' services satisfy section 330(a)(3)(C) of the Bankruptcy Code."

Initial Retention Order, ¶ 4. In accordance with the Initial Retention Order, **Exhibit G** also includes the invoices and supporting time records for Grant Thornton's outside legal counsel that constitute the reasonable and necessary actual, documented out-of-pocket costs, fees, disbursements, and other charges incurred by Grant Thornton in connection with utilizing such external legal counsel.

**GRANT THORNTON'S REQUESTED COMPENSATION SHOULD BE ALLOWED**

32. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 of the Bankruptcy Code to govern the Court's award of such compensation. Section 330 of the Bankruptcy Code provides that a court may award a professional compensation for actual necessary services rendered and reimbursement for actual, necessary expenses. 11 U.S.C. § 330(a) (1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded, the court should consider the nature, extent, and value of such services, taking into account all relevant factors, including-

- (a) the time spent on such services;
- (b) the rates charged for such services;
- (c) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (d) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and

- (e) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

33. The foregoing professional services were performed by Grant Thornton in an efficient manner, were necessary and appropriate to the administration of the chapter 11 cases, and were in the best interests of the Debtors, their estates, and other parties in interest. Compensation for the foregoing services as requested is commensurate with the complexity, importance, and nature of the problems, issues, and tasks involved. As required by the U.S. Trustee guidelines, annexed hereto as **Exhibit H** is a chart setting forth the comparative rates of the professionals who rendered services in these chapter 11 cases during the Fee Period with a corresponding comparison of the standard rates for Grant Thornton professionals not involved in these chapter 11 cases.

#### **DISCLOSURE AND ALLOWANCE OF COMPENSATION FOR OCB TAX SERVICES**

34. Attached as **Exhibit I** are invoices for the total amount of reasonable compensation for actual, necessary OCB Tax Services that Grant Thornton incurred covering the Fee Period. Copies of these invoices also were previously attached to the applicable MFS. In light of Grant Thornton's retention in these bankruptcy cases by order entered April 28, 2021, out of an abundance of caution and for purposes of full disclosure, Grant Thornton is including the amounts paid to Grant Thornton on account of the OCB Tax Services during the Fee Period.

#### **NOTICE**

35. The Debtors will provide notice of this Application in accordance with the Interim Compensation Order. Grant Thornton submits that no other or further notice be given.

**WHEREFORE**, Grant Thornton, in connection with services rendered on behalf of the Debtors, respectfully requests: (i) allowance of compensation and reimbursement of expenses for Plan Services rendered to the Debtors by Grant Thornton during the Fee Period in the total amount of \$709,691.00, comprised of: (a) reasonable compensation in the amount of \$677,441.00 for actual, necessary Plan Services that Grant Thornton incurred during the Fee Period, and (b) reimbursement in the amount of \$32,250.00 for actual, reasonable and necessary expenses incurred by Grant Thornton during the Fee Period; (ii) an order authorizing the Debtors to pay Grant Thornton the remaining 20% holdback from the monthly fee statements filed with the Court, which 20% holdback Grant Thornton estimates will be \$135,488.20; (iii) allowance of compensation and expenses paid to Grant Thornton for tax related services provided to the Debtors in the ordinary course of the Debtors' business which, during the Fee Period, totals \$33,861.10; and (iv) such other and further relief as the Court deems appropriate.

**CERTIFICATION OF RAYMOND WERTH**

**CERTIFICATION**

I, Raymond Werth, hereby certify as follows:

1. I am a Partner of the firm of Grant Thornton LLP (“**Grant Thornton**”). I am duly authorized to execute this certification on behalf of Grant Thornton.
2. I submit this certification in support of the *Fifth Interim Fee Application of Grant Thornton LLP for: (I) Allowance of Compensation and Reimbursement of Expenses Incurred for Retention as Consultants to Debtors for Services Related to the Plan for the Period September 1, 2022 through December 31, 2022; and (II) Payments for Services Performed in the Ordinary Course of Debtors’ Business through December 31, 2022* (the “**Application**”). Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Application.
3. I am familiar with the work performed on behalf of the Debtors as set forth in the Application.
4. I have personally reviewed the information contained in the Application to certify to certain matters addressed in the Interim Compensation Order, Rule 2016-1 of the Local Guidelines, and the *U.S. Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases*, effective November 1, 2013 (the “**UST Guidelines**,” and together with the Local Guidelines, the “**Fee Guidelines**”).
5. To the best of my knowledge, information and belief formed after reasonable inquiry of Grant Thornton’s accounting personnel and staff, I believe the contents of the Application to be true and correct in all material respects and that the Application materially complies with the mandatory guidelines set forth in the Fee Guidelines except as otherwise indicated in the Application.
6. The following is my response, on behalf of Grant Thornton, to the questions identified in the UST Guidelines:

- a. **Question:** Did you agree to any variations from, or alternatives to, your standard or customary billing rates, fees or terms of services pertaining to this engagement that were provided during the application period? If so, please explain.

**Answer:** Yes. Grant Thornton agreed to reduce its standard hourly rates for certain of the Plan Services, which discounts ranged from 25% to 55% depending on the services provided. In addition, Grant Thornton's standard hourly rates have been increased from time to time in the normal course of business, but Grant Thornton did not apply those customary rate increases to professionals working on matters in these cases during the Fee Period.

- b. **Question:** If the fees sought in this fee application as compared to the fees budgeted for the time period covered by this fee application are higher by 10% or more, did you discuss the reasons for the variation with the client?

**Answer:** Grant Thornton has provided the Debtors with the actual amount of fees incurred on a monthly basis and engages in on-going discussions with the Debtors regarding fees and expenses generally, but did not prepare an itemized budget for the Fee Period.

- c. **Question:** Have any of the professionals included in this fee application varied their hourly rate based on the geographic location of the bankruptcy case?

**Answer:** No.

- d. **Question:** Does the fee application include time or fees related to reviewing or revising time records or preparing, reviewing, or revising invoices? (This is limited to work involved in preparing and editing billing records that would not be compensable outside of bankruptcy and does not include reasonable fees for preparing a fee application.) If so, please quantify by hours and fees.

**Answer:** No.

- e. **Question:** Does this fee application include time or fees for reviewing time records to redact any privileged or other confidential information? If so, please quantify by hours and fees.

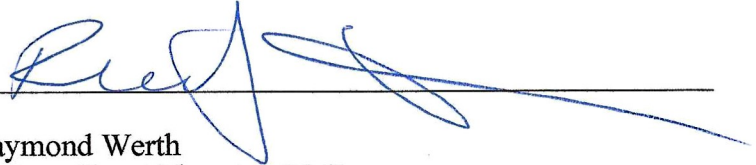

**Answer:** Yes. During the four (4) month Fee Period, Grant Thornton's outside bankruptcy counsel, Sklar Kirsh, LLP: (i) reviewed time records for the business advisory services for confidentiality concerns for a total of 0.1 hours incurring \$62.50 in fees; (ii) conferred with the Debtors' bankruptcy counsel regarding confidentiality issues for a total of 0.5 hours incurring \$312.50 in fees; and (iii) conferred with and advised Grant Thornton with respect thereto in order to prevent potential confidentiality issues in future applications for a total of 1.0 hours incurring \$625.00 in fees.

f. **Question:** If the fee application includes any rate increases since retention: (i) did your client review and approve those rate increases in advance? (ii) Did your client agree when retaining the law firm to accept all future rate increases? If not, did you inform your client that they need not agree to modified rates or terms in order to have you continue the representation, consistent with ABA Formal Ethics Opinion 11-458?

**Answer:** Grant Thornton's standard hourly rates have been periodically increased in the normal course of business during its retention in these bankruptcy cases, but Grant Thornton did not apply those customary rate increases to professionals working on matters in these cases. One professional, Mr. Brian Angstadt, was promoted to Managing Director effective September 1, 2021, and as such, the hourly rate charged on and after September 1, 2021 for his time was reflective of this new position, which is the agreed upon, reduced rate for that level for this engagement.

**ORDERED THAT:**

1. The Application is granted as set forth herein.
2. The Debtors are authorized to retain Grant Thornton as tax restructuring consultants to the Debtors with respect to the Grant Thornton Services, effective as of January 20, 2021, and Grant Thornton is authorized to perform the Grant Thornton Services described in the Application and the Engagement Agreement.
3. 4. Grant Thornton’s reimbursable expenses may include the reasonable and necessary actual, documented out-of-pocket costs, fees, disbursements, and other charges of Grant

Thornton's external legal counsel (without the need for such legal counsel to be retained as a professional in the chapter 11 cases); provided, that, if Grant Thornton seeks reimbursement from the Debtors for attorneys' fees and expenses pursuant to the Engagement Agreement, the invoices and supporting time records for the attorneys' fees and expenses shall be included in Grant Thornton's own applications, both interim and final, and these invoices and time records shall be subject to the approval of the this Court pursuant to sections 330 and 331 of the Bankruptcy Code, but without regard to whether such attorneys have been retained under section 327 of the Bankruptcy Code, and without regard to whether such attorneys' services satisfy section 330(a)(3)(C) of the Bankruptcy Code.

5. Grant Thornton shall provide reasonable notice to the Debtors, the U.S. Trustee and any statutory committee appointed in these chapter 11 cases before implementing any increases in the rates set forth in the Application for professionals providing the Grant Thornton Services.

6. The indemnification provisions in the Grant Thornton Engagement Letter, including the MSA are hereby modified and restated in their entirety as follows:

- (a) All requests by Grant Thornton for payment of indemnity pursuant to the MSA shall be made by means of an application (interim or final as the case may be) and shall be subject to review by the Court to ensure payment of such indemnity conforms to the terms of the MSA and is reasonable based upon the circumstances of the litigation or settlement in respect of which indemnity is sought; provided, however, that in no event shall Grant Thornton be indemnified in the case of its own bad-faith, self-dealing, breach of fiduciary duty (if any), gross negligence or willful misconduct;
- (b) In the event that Grant Thornton seeks reimbursement from the Debtors for reasonable attorneys' fees in connection with a request by Grant Thornton for payment of indemnity pursuant to the MSA, as modified by this Order, the invoices and supporting time records from such attorneys shall be included in Grant Thornton's own application (both interim and final) and such invoices and time records shall be subject to the approval of the Court under the standards of sections 330 and 331 of the Bankruptcy Code without regard to whether such attorney has been retained under section 327 of the Bankruptcy Code and

without regard to whether such attorneys' services satisfy section 330(a)(3)(C) of the Bankruptcy Code; and

15. In the event of any inconsistency between the Application, the Engagement Agreement and this Order, the terms of this Order shall govern.

Grant Thornton shall file fee applications for allowance of its compensation and reimbursement of its expenses with respect to the Business Advisory Services rendered in these chapter 11 cases with this Court in accordance with 11 U.S.C. §§ 330 and 331, as the case may be, and the applicable Bankruptcy Rules, Local Rules, and fee and expense guidelines and orders of this Court.

4. Grant Thornton's reimbursable expenses may include the reasonable and necessary actual, documented out-of-pocket costs, fees, disbursements, and other charges of Grant Thornton's external legal counsel (without the need for such legal counsel to be retained as a professional in the chapter 11 cases); provided, that, if Grant Thornton seeks reimbursement from the Debtors for attorneys' fees and expenses pursuant to the BAS Agreements, the invoices and supporting time records for the attorneys' fees and expenses shall be included in Grant Thornton's own applications, both interim and final, and these invoices and time records shall be subject to the approval of the this Court pursuant to sections 330 and 331 of the Bankruptcy Code, but without regard to whether such attorneys have been retained under section 327 of the Bankruptcy Code, and without regard to whether such attorneys' services satisfy section 330(a)(3)(C) of the Bankruptcy Code.

5. Before implementing any increases in Grant Thornton's rates, as set forth in the BAS Agreements, for any individual retained by Grant Thornton and providing services in these cases, Grant Thornton shall file a supplemental declaration with the Court and provide ten business days' notice to the Debtors, the U.S. Trustee and any official committee. The supplemental declaration shall explain the basis for the requested rate increases in accordance with

section 330(a)(3)(F) of the Bankruptcy Code and state whether the Debtors have consented to the rate increase(s). All parties in interest retain all rights to object to any rate increase on all grounds, including, but not limited to, the reasonableness standard provided for in section 330 of the Bankruptcy Code.

6. Notwithstanding anything in the Second Supplemental Application or the BAS Agreements to the contrary, the indemnification provisions in the BAS Agreements are hereby modified and restated in their entirety as follows:

- (a) All requests by Grant Thornton for payment of indemnity pursuant to the BAS Agreements shall be made by means of an application (interim or final as the case may be) and shall be subject to review by the Court to ensure payment of such indemnity conforms to the terms of the BAS Agreements and is reasonable based upon the circumstances of the litigation or settlement in respect of which indemnity is sought; provided, however, that in no event shall Grant Thornton be indemnified in the case of its own bad-faith, self-dealing, breach of fiduciary duty (if any), gross negligence or willful misconduct; and
- (b) In the event that Grant Thornton seeks reimbursement from the Debtors for reasonable attorneys' fees in connection with a request by Grant Thornton for payment of indemnity pursuant to the BAS Agreements, as modified by this Order, the invoices and supporting time records from such attorneys shall be included in Grant Thornton's own application (both interim and final) and such invoices and time records shall be subject to the approval of the Court under the standards of sections 330 and 331 of the Bankruptcy Code without regard to whether such attorney has been retained under section 327 of the Bankruptcy Code and without regard to whether such attorneys' services satisfy section 330(a)(3)(C) of the Bankruptcy Code.

7. Notwithstanding anything in the Second Supplemental Application or the BAS Agreements to the contrary, the limitation of liability section in paragraph 3 of the "*Attachment A – STANDARD GRANT THORNTON LLP ENGAGEMENT TERMS*" to the engagement letter is deemed to be of no force or effect with respect to the services to be provided pursuant to this Order.

8. Notwithstanding anything in the Second Supplemental Application or the BAS Agreements to the contrary, if Grant Thornton terminates the engagement by giving written notice to PPLP, Grant Thornton shall remain entitled to any fees accrued but not yet paid prior to such termination, subject to Court approval of (a) such termination, and (b) any fees accrued and not yet paid under the Fee Guidelines, the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any applicable orders of the Court.

9. The relief granted herein shall be binding upon any chapter 11 trustee appointed in any of these chapter 11 cases or upon any chapter 7 trustee appointed in the event of a subsequent conversion of any of the chapter 11 cases to cases under chapter 7.

10. Notice of the Second Supplemental Application as provided therein is good and sufficient notice of such Second Supplemental Application and the requirements of Bankruptcy Rule 6004(h) and the Local Rules are satisfied by such notice.

11. Notwithstanding any provision in the Bankruptcy Rules to the contrary, the terms and conditions of this Order are immediately effective and enforceable upon its entry.

12. The Debtors are authorized to take all reasonable actions necessary to effectuate the relief granted in this Order in accordance with the Second Supplemental Application.

13. In the event of any inconsistency between the Second Supplemental Application and this Order, the terms of this Order shall govern.

14. Notwithstanding anything in the Second Supplemental Application or the BAS Agreements to the contrary, during the pendency of these chapter 11 cases, this Court retains exclusive jurisdiction with respect to any matters, claims, rights or disputes arising out of and/or pertaining to Grant Thornton's engagement and the implementation of this Order until such jurisdiction is relinquished.

<sup>7</sup> Grant Thornton provides Plan Services to the Debtors that involve three (3) different types of distinct business units -- *i.e.*, tax related services, valuation related services and business advisory services -- each with different specialized skills and rates. As such, the information contained in this Exhibit H provides the applicable rates and rate comparisons for each such business unit.

<sup>8</sup> Rates differ within a level due to the relative experience of the staff and/or whether the applicable staff is part of Grant Thornton's national tax office. In addition, although Grant Thornton's standard hourly tax rates were increased in August in the normal operation of its business, the hourly rates charged by Grant Thornton for professionals working on matters in these cases were not increased, with the exception of one professional who was promoted to Managing Director effective September 1, 2021, and as such, the agreed to hourly rate charged was reflective of this new position.

<sup>9</sup> Rates differ within a level due to relative experience of the staff.
